PSYCHOLOGY OBSERVATION PROGRAMME 2024

01

WORKSHOP SERIES

3 days
20, 21 & 23 May 2024
9am - 3pm
Fee: \$180

- A targeted 3-day programme designed to provide comprehensive information towards building a career in Clinical Psychology or Clinical Neuropsychology.
- Topics covered include various aspects of clinical psychology and clinical neuropsychology, orientation to job requirements, and the scope of practising psychologists in a hospital.
- Hear from our psychologists and acquire valuable tips about securing their career paths.
- Gain opportunities to acquire basic knowledge of various therapy modules and assessment techniques.
- Learn about and experience what it is like to be in experiential group therapy sessions.
- Participate in our exclusive Q&A, where we invite a panel of senior psychologists to share tips on being a psychologist in Singapore.

- A comprehensive 8-day programme (inclusive of 3 days of the Workshop Series) designed to provide information on the job requirements and scope of practising clinical psychologists and neuropsychologists in a hospital.
- Applicants accepted into the full program will be expected to attend the Workshop Series (included in the fee).
- Participate in department academic activities such as Grand Ward Rounds, Journal Clubs, and Psychotherapy Interest Groups.
- Direct observation of clinical sessions such as outpatient individual and group psychotherapy.
- Observe outpatient psychiatric clinic and, when possible, the functioning of the Consultation Liaison team.
- Gain opportunities for clinical observation and participation in the Psychiatric Ward, including attending multidisciplinary ward rounds, case discussions, as well as individual and group psychotherapy.
- Observe neuropsychological assessment sessions and hold case discussions thereafter.

PSYCHOLOGY OBSERVATION PROGRAMME 2024

OBJECTIVES

To provide an exclusive peek into the work of clinical psychologists and neuropsychologists in a hospital setting.

ELIGIBILITY CRITERIA

This programme is open to university undergraduates who are

- Majoring in Psychology, and
- At least in their 3rd year of study

APPLICATION DETAILS

Interested applicants may apply with the following supportive documents in the form below.

You will be required to submit your:

- Curriculum Vitae (with photograph).
- Cover letter detailing the following:
 - Tell us about yourself (e.g. hobbies, interests, goals, etc).
 - Why do you want to attend POP@NUH.
 - What do you hope to achieve from this experience.

ADDITIONAL REQUIREMENTS FOR FULL PROGRAMME PARTICIPANTS

- You must obtain Hospital Insurance and the required vaccinations, at your own cost, to attend the programme.
- The required vaccinations are:
 - **MMR:** 2-dose vaccination record or IgB blood tests (mumps/measles/rubella) all showing immunity.
 - **VZV:** 2-dose vaccination record or IgG blood test showing immunity.
 - **Boostrix Tdap:** vaccination record within the past 10 years
 - **COVID vaccination:** primary series + 1 booster based on Singapore's standards.
- We will contact you with more details about the requirements and programme once your attendance is confirmed

2024 INTAKE

Application window:
5 Mar to 2 Apr 2024

Applications submitted after the closing date will not be accepted. Only successful applicants will be notified by email in early May.

If you do not hear back from us, we encourage you to apply again for the next POP.
